FATALITY ACCIDENT CLAIMS ONE LIFE

FRISCO, TX – Accident investigators with the police department's [Traffic Unit](#) are currently investigating a major vehicle collision that occurred last night at around 9:15 p.m. The collision occurred in the 3900-block of the southbound SH-121 feeder road near the intersection with Spring Creek Parkway.

The initial on-scene investigation by the [Frisco Police Department](#) has concluded and the roadway is currently open to motorists. Investigators have determined that a passenger vehicle stopped on the roadway after experiencing mechanical problems, and was subsequently rear-ended by a tow truck.

The operator of the disabled vehicle, a 32-year-old The Colony resident and her 12-year-old daughter, were transported to Medical Center of Plano with non-life threatening injuries. A second child who was also in the vehicle did not survive the collision and was pronounced dead at the scene. The child was 9 years old. The tow truck driver, identified as a 49-year-old Frisco resident, was not injured in the collision.

Accident investigators will continue to investigate to determine whether any charges will be filed against the tow truck driver. No additional information will be released at this time. For more information, refer to Frisco Police Department CFS# 11-048192.
